Specialized Customs Brokerage, Freight Forwarding, Warehouse Services for Meetings, Conventions, and Trade Shows at the *SHERATON VANCOUVER WALL CENTRE HOTEL*

Bringing personalized hi-touch services to meetings, conventions, trade shows, and other special events in Vancouver and right across Canada, **North American Logistics Services Inc. "NALSI"** is a preferred supplier to the **Sheraton Vancouver Wall Centre Hotel**. NALSI provides specialized customs clearance, transportation, and warehousing for time sensitive event materials.

The **Canada Border Services Agency (CBSA)** offers unique special importation privileges for events taking place in Canada. In order to gain these special privileges, the host organization must have the event **"officially recognized"** by the CBSA. Once **"officially recognized"**, shipments may enter Canada **duty free** and **tax free** for your event. Your event will also be granted the **"Border-to-Show"** service by the CBSA. This service means shipments may be customs cleared at the Hyatt and not held up at the point of entry into Canada. This process offers you, the event organizer, and your exhibitors (if applicable), a number of advantages such as reduced importation costs, faster border crossings, quicker set-up at the facility, and on-site problem resolution. Our priority is to save you time and from paying unnecessary fees to Canada Customs.

There is no cost to appoint NALSI as your official supplier. NALSI will complete the official recognition process with the CBSA on your behalf as well as all of the documentation relating to the customs and shipping process. We'll ensure your show management and meeting materials are expedited and available on-site prior to your arrival. We'll also work with each individual exhibitor to ensure the entire inbound and return outbound customs and shipping process for your event at the Sheraton is seamless. Our office is located downtown near the hotel and our professional event managers are always on-site during the move-in and move-out for each event. We take care of everything from start to finish!

THESE ARE THE STEPS TO FOLLOW

- ➔ Contact NALSI to have your event **"officially recognized"** (*letter must be filed a minimum of 30 days prior to the event start date*)
- ➔ Once **"officially recognized"**, NALSI will assist with any matter pertaining to Customs & Shipping
- ➔ If there is an exhibit component to the event, NALSI will assist in drafting the text for the portion of the exhibitor manual pertaining to **"Customs & Shipping"**
- ➔ NALSI's services include:

Customs Brokerage

Freight Forwarding/Transportation

Advance Warehousing (all shipments complimentary for up to 60 days)

North American Logistics Services Inc. **"NALSI"** is Canada's most experienced special event, meeting, convention, and trade show customs brokerage & transportation service provider, serving the U.S. and Canadian markets for over 15 years.
