San Juan, Puerto Rico
April 7 - 9, 2022

SYSTEMIC SUPERVISION TRACK

The Supervision Track in the 2022 World Family Therapy Congress is designed to meet the workshop requirements for those seeking to accrue the hours for the Certified Systemic Supervisor (CSS) credential. These five workshops on Thursday are all eligible for use in pursuing the academic requirements of the CSS certification. The Supervision Track will take place on Thursday, April 7, 2022 beginning at 08:30 through 18:30.
